Jun Yang Solar Announces Positive Profit Alert
The Net Profit for 2014 Is Estimated to Be Not Less Than HK\$250 Million

(Hong Kong, 16 January 2015) - **Jun Yang Solar Power Investments Limited** (“Jun Yang Solar” or the “Group”, SEHK: 397) is delighted to announce that, the Group is expected to record a profit for the year ended 31 December 2014 (“FY2014”) as compared to a loss for the corresponding period in 2013. The profit after tax for FY2014 is estimated to be not less than HK\$250 million.

Such turnaround is mainly attributable to the gain arising on change in fair value of held-for-trading investments of approximately HK\$344 million, which is partly off-set by the loss as a result of deemed disposal of interest in an associate of approximately HK\$31 million.
